I have the honour to state that the Veterinary dispensary at Anekal, is at present located in a rented building which is said to be unsuited for examining and dressing the cattle. The necessity for the construction of a suitable building for the location of the Dispensary having been keenly felt, Mr. Sharabanna, Shaukar, Attibele has generously contributed a sum of Rs.2500/- towards the construction of the building and has already deposited the said sum in the Taluk Treasury in the name of the Amildar. The Amildar, Anekal Taluk, after obtaining a type plan of a Taluk Veterinary Dispensary approved by Government has got estimates prepared for Rs.2500/- and 1500/- for constructing the dispensary and a cattle shed and the same have been duly scrutinised by the Executive Engineer, Bangalore Division.

As regards the balance of amount, viz., Rs.1500/- required for the building, the Municipal Council have resolved to contribute a sum of Rs.500/- towards the cost and the District Board is reported to hav already set apart a sum of Rs.1000/- for the purpose. The Municipal Council have selected a site for being granted free of cost for the purpose, between the Power Office and the Shandy Maidan.

I have inspected the site. The site selected is ascertained to have also been approved by the Superintendent, Civil Veterinary Department.

The full amount promised by the donor Mr. Sharabanna has been fully realised and the contributions of Rs.500/- and 1000/- payable by the Municipality and District Board respectively can be obtained as work progresses. In these circumstances, I request you to be so good as to move the Government for the acceptance of this donation of Rs.2500/- at an early date, so that the work may be put on hand early. Sanction of Government may also be obtained to name the building afte Mr. Sharabanna as he has contributed a liberal sum towards the same.

The connected records are sent herewith for reference.
